

IP-Phone OpenPhone 7x IPC / OpenPhone IPC

Softphone as VoIP-workplace solution
for OpenCom 100, OpenCom 1000 and OpenCom X320

IP-Phone on PC

The softphones OpenPhone 7x IPC and OpenPhone IPC being pure PC-Applications show the wanted phone functions on the display of the PC. With their personal login data the user's in the company can have their own telephone with the individual programmed features (free seating / hot desking, roaming user) on each PC. Additionally, the OpenPhone 7x IPC provides more comfort features like PC based voice mail and a call recording function. Moreover, it can be changed to a blind workplace (on OpenCom 1000) because of text-oriented skin in combination with a connectable braille line.
